Dear Customer

So here we are – 2015 is well and truly upon us, the days are becoming noticeably longer and hopefully, by the time you read this letter, we will soon be saying our final farewells to another wet and stormy winter. All of which can only mean one thing for ***Carey's Pipe & Tobacco Shop*** *– it's time for our first Catalogue of the year!*

Each and every edition we try to bring you something new, and ***Catalogue 120*** *is no different. As I write I'm happily puffing away on my favourite* ***Sheer Genius*** *briar, brim full of our latest magical blend –* ***Carey's Old Town Vanilla Flake****. Created exclusively for us by our good friends at* ***Samuel Gawith*** *this is a great mix of old and new – think Best Brown Flake with an added hint of Vanilla and you won't go far wrong. Long smoking, rich, full of flavour and with a delightful room note to match, this is sure to become a firm favourite. You can find it along with our other* ***Boutique Blends*** *and, as with another recent addition* ***Carey's Castle Blend****, our customers will ultimately have the say on whether this makes it into our Private Blends and thereby our Tobacco Club.*

Whilst on the subject of ***Tobacco Club****, we find most new enquiries come at this time of year. After all, what better time than the start of a new year to benefit from the added convenience and extra loyalty perks it conveys, whilst also allowing you to save money on every pouch of our highly rated Private Blends. What's not to like?!*

And finally, changing tack slightly, we have also decided to feature something entirely different in the shape of Vauen's latest masterpiece, ***the Diamond****. When I posted an image on our Social Media channels some time ago it received mixed reviews as people questioned its smokability, but since then it's gone on to scoop awards at such prestigious industry events as the* ***2014 Inter-Tabak*** *show. Although it's sure to continue dividing opinions one certainty is that the Diamond will one day be seen as the first of its kind…*

Whatever your preference, be it pipes, tobacco or cigars we hope you enjoy our latest compendium. And with that I bid you happy puffing...

E.A. Carey

"Joining the tobacco club was one of my best decisions. The service is amazing and with these added benefits provides an incredibly good deal. As for the tobaccos, well all I can say is that as a pipe smoker for over 30 years I can honestly say these are the best I have ever smoked. Thank you all at Careys. – GB" (06/06/2014)

No. 2034 Highland Fling 3 3 3
The foundations of this blend are derived from a heady mix of mature Golden Virginia combined with the best Burley available, whilst Black Cavendish ensures sweetness and aroma in the taste. The blend is topped off using spicy flavours and a wee dram of Highland Whisky.
